NAME: _____

SCIENCE	
SCIENTIFIC ENQUIRY	**P4**

- Demonstrate actions to change materials *e.g. push/pull/tear/squeeze/stir/roll* ……
- Attempt to discover what is in a container by looking/reaching/tipping …….
- Demonstrate actions to make a sound *e.g. with a variety of instruments*…….

Performance Description – P4 **Pupils explore objects and materials provided, changing some materials by physical means and observing the outcomes, *e.g. when mixing flour and water.* Pupils communicate their awareness of changes in light, sound or movement. They imitate actions involving main body parts, *e.g. clapping or stamping.* They make sounds using their own bodies, *e.g. tapping, singing or vocalising,* and imitate or copy sounds. They cause movement by a pushing or pulling action. 'Explore' includes access through sensory mode. Teachers should ensure they are assessing intended, not accidental actions.**
